

# Letter of Agreement

(The jurisdiction of an Air Traffic Control over the airway A593 between LAMEN and ONIKU within Incheon Flight Information Region)

## <Purpose>

This Letter of Agreement is adopted by VATKOR and VATJPN to clarify the jurisdiction of an Air Traffic Control over the airway A593 between LAMEN and ONIKU within Incheon Flight Information Region for the safety of an aircraft and the efficient air flow.

## <Application>

VATPRC: Shanghai Control commences radar hand-off to Incheon Control before 10nm reaching LAMEN.

VATKOR: Incheon Control commences radar hand-off to Shanghai Control before 10nm reaching LAMEN.

\* If one of the controls(Incheon Control or Shanghai Control) is not on-line, on-line control must un-track(release) the aircraft and make him/her to monitor UNICOM before crossing FIR boundary over LAMEN.

\* LAMEN's coordinate is N31°36'35'' E124°00'00''

## <Cancellation & Amendment>

This LOA will not be cancelled nor amended without each division director's approvals and coordinations. Also, this LOA will last abidingly regardless of change in division directors.

## <Effectiveness>

This LOA will be effective by the presence of each division director's signatures.
